MATERIAL CONFLICTS OF INTEREST

General

LWG makes the disclosures set forth below with respect to material conflicts of interest in connection with the scope of services described above under the caption "SCOPE OF SERVICES" under this Engagement Letter (collectively, the "Scope of Services"), together with how LWG addresses or intends to manage or mitigate each conflict.

General Mitigations

As general mitigations of LWG's conflicts, with respect to all of the conflicts disclosed below, LWG mitigates such conflicts through its adherence to its fiduciary duty to the District, which includes a duty of loyalty to the District in performing all municipal advisory activities for the District. This duty of loyalty obligates LWG to deal honestly and with the utmost good faith with the District and to act in the District's best interests without regard to LWG's financial or other interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

Michael Griffin, IAMC/MMC/CPFA/CPFIM/CMO
Clerk-Treasurer
Town of Highland Sanitary District, Lake County, Indiana
June 4, 2020
Page 5

There is no affiliate of LWG that is or will provide any advice, service or product to or on behalf of the District that is directly or indirectly related to the municipal advisory activities to be performed by us pursuant to this engagement letter. We have made no payments, directly or indirectly, to obtain or retain the District's municipal advisory business pursuant to this engagement letter. We have received no payments from third parties to enlist our recommendation to the District of the services of any such third party, including with respect to any municipal securities transaction or municipal financial product, such as a municipal derivative, a guaranteed investment contract or investment strategy with respect to the use of the proceeds of a municipal security.

We have not entered into any fee-splitting arrangement with any provider of investments or services to the District. As described above under the caption "COMPENSATION," our fees are not contingent on the size or the closing of the Financing pursuant to this engagement letter. We have no other engagements or relationships that might impair our ability to fulfill our duty of care and duty of loyalty to the District.

Other Relationships

LWG serves a wide variety of other clients that may from time to time have interests that could have a direct or indirect impact on the interests of the District. For example, LWG serves as municipal advisor to other municipal advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to the District under this engagement letter. These other clients may, from time to time and depending on the specific circumstances, have competing interests such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interests of its various clients, LWG could potentially face a conflict of interest arising from these competing client interests. None of these other engagements or relationships would impair LWG's ability to fulfill its regulatory duties to the District.

Compensation-Based Conflicts

The fees due under this engagement letter are in a fixed amount established at the outset hereof. The amount is usually based upon an analysis by the District and LWG of, among other things, the expected duration and complexity of the transaction and the Scope of Services to be performed by LWG. This form of compensation presents a potential conflict of interest, because, if the transaction requires more work than originally contemplated, LWG may suffer a loss. Thus, LWG may recommend less time-consuming alternatives or fail to do a thorough analysis of alternatives. This conflict of interest is mitigated by the general mitigations described above.

LEGAL OR DISCIPLINARY EVENTS

A Civil Judicial Action DRP on Form MA and MA-I was filed with the SEC as a result of a complaint filed by the City of Marion, Indiana against five (5) parties including LWG. Further

You may terminate our engagement as municipal advisor at any time simply by notifying us. We may terminate and withdraw from our engagement for nonpayment of our fees and expenses as described above.

MATERIAL CONFLICTS OF INTEREST

General

LWG makes the disclosures set forth below with respect to material conflicts of interest in connection with the scope of services described above under the caption "SCOPE OF SERVICES" under this Engagement Letter (collectively, the "Scope of Services"), together with how LWG addresses or intends to manage or mitigate each conflict.

General Mitigations

As general mitigations of LWG's conflicts, with respect to all of the conflicts disclosed below, LWG mitigates such conflicts through its adherence to its fiduciary duty to the Building Corporation, which includes a duty of loyalty to the Building Corporation in performing all municipal advisory activities for the Building Corporation. This duty of loyalty obligates LWG to deal honestly and with the utmost good faith with the Building Corporation and to act in the Building Corporation's best interests without regard to LWG's financial or other interests. The

disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

There is no affiliate of LWG that is or will provide any advice, service or product to or on behalf of the Building Corporation that is directly or indirectly related to the municipal advisory activities to be performed by us pursuant to this engagement letter. We have made no payments, directly or indirectly, to obtain or retain the Building Corporation's municipal advisory business pursuant to this engagement letter. We have received no payments from third parties to enlist our recommendation to the Building Corporation of the services of any such third party, including with respect to any municipal securities transaction or municipal financial product, such as a municipal derivative, a guaranteed investment contract or investment strategy with respect to the use of the proceeds of a municipal security.

We have not entered into any fee-splitting arrangement with any provider of investments or services to the Building Corporation. As described above under the caption "COMPENSATION," our fees are not contingent on the size or the closing of the Financing pursuant to this engagement letter. We have no other engagements or relationships that might impair our ability to fulfill our duty of care and duty of loyalty to the Building Corporation.

Other Relationships

LWG serves a wide variety of other clients that may from time to time have interests that could have a direct or indirect impact on the interests of the Building Corporation. For example, LWG serves as municipal advisor to other municipal advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to the Building Corporation under this engagement letter. These other clients may, from time to time and depending on the specific circumstances, have competing interests such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interests of its various clients, LWG could potentially face a conflict of interest arising from these competing client interests. None of these other engagements or relationships would impair LWG's ability to fulfill its regulatory duties to the Building Corporation.

Compensation-Based Conflicts

The fees due under this engagement letter are in a fixed amount established at the outset hereof. The amount is usually based upon an analysis by the Building Corporation and LWG of, among other things, the expected duration and complexity of the transaction and the Scope of Services to be performed by LWG. This form of compensation presents a potential conflict of interest, because, if the transaction requires more work than originally contemplated, LWG may suffer a loss. Thus, LWG may recommend less time-consuming alternatives or fail to do a thorough analysis of alternatives. This conflict of interest is mitigated by the general mitigations described above.

ENACTMENT No. 2020-31**

AN ENACTMENT REGARDING THE DISPOSITION OF MUNICIPALITY'S PRO-RATA SHARE ON DEPOSIT TO THE CREDIT OF THE COMMUNITY CROSSINGS GRANT FUND, AUTHORIZING ITS TRANSFER TO THE CORPORATION GENERAL FUND AND AUTHORIZING ITS RETURN TO THE COMMUNITY CROSSINGS GRANT FUND, PURSUANT TO I.C. 36-1-3 ET SEQ., AND IC 36-1-8-12.

WHEREAS, The Town of Highland by proper legislative action has established a Community Crossings Grant Fund pursuant to IC 36-1-3, and IC 8-23-30, codified as Section 3.45.129 of the Highland Municipal Code;

WHEREAS, The Community Crossings Grant Fund, as a separate, discrete fund that hosts state based grant resources for which a local match is required, is governed by the provisions of IC 8-23-20 and IC 36-1-8-12 in its management of assets;

WHEREAS, Indiana Code 8-23-30-6 particularly provides that any eligible applicant, with a population of 10,000 or more, seeking the local road and bridge matching grant authorized under that law, must provide a fifty percent match;

WHEREAS, Pursuant to IC 36-1-8-12 (b), provides that when a political subdivision completes a project that was supported by a state grant that required local matching money, a separate fund shall be created to support the resources of the grant and its match and if there are resources remaining at the completion of a project, the remaining share of the state grant shall be remitted to the treasurer of state and the local share shall revert to the political subdivision's general fund;

Section 1. That the Town Council hereby finds and determines the following:

- (A) That the Town Council did approve and obtain a local road and bridge matching grant for projects in 2019 totaling \$1,788,176.50, with the matching portions being in the amount of \$894,88.25, pursuant to IC 8-23-30 et seq.;
- (B) That after completion of all identified projects, the final costs for all tasks identified in the grant totaled \$1,760,351, leaving \$27,825.50 unexpended under the terms of the grant, rendering a share for the state in the amount of \$13,912.75 and the same amount for the Town of Highland;
- (C) That the Town Council further acknowledges that IC 36-1-8-12 (b), expressly provides that when a political subdivision completes a project that was supported by a state grant that required local matching money, *if there are resources remaining at the completion of a project, the*

remaining share of the state grant shall be remitted to the treasurer of state and the local share shall revert to the political subdivision's general fund;

- (D) That the state share in the amount of \$13,912.75 will be returned and remitted to the State upon receipt of an appropriate invoice from the Indiana Department of Transportation;
- (E) That, under the provisions of IC 36-1-8-12 the remaining share in the amount of **\$13,912.75** at once reverts to the Town's corporation general fund, while at the same time was contemplated as a component of the required local share to support the 2020 match for its projects identified to be funded by a local road and bridge matching grant, under IC 8-23-30; and,
- (F) That the Town of Highland highly desires to adhere to the law's prescription stating the local remaining share reverts to the corporation general fund, yet at the same time, it also wishes to avoid the *administrative inefficiency that would occasion the reversion of the \$13,912.75 from the Community Crossings Matching Fund to the Corporation General Fund only then to authorize its transfer back to the Community Crossings Fund*, to be part of the local share for FY 2020;

Section 2. That owing to the foregoing findings and determinations, the remaining share on deposit to the credit of the Community Crossings Matching Fund in the amount of **\$13,912.75** shall be deemed to have reverted to the corporation general fund, with this enactment providing a constructive, putative reversion;

Section 3. That further owing to the foregoing findings and determinations the reverted amount of \$13,912.75 shall be hereby deemed to be transferred from the corporation general fund to the community crossings matching fund to be part of the local match for the FY 2020 grant program;

Section 4. That, the provisions of this enactment are exercised as necessary and desirable for the effective operation of the town and to achieve administrative efficiency, while honoring the provisions of IC 36-1-8-12;

Section 5. That the money putatively reverted and then transferred may be expended from the Community Crossings Matching Fund, for purposes permitted by law, and after its appropriation in the manner set forth in IC 6-1.1-18.
