

HIGHLAND PLAN COMMISSION  
Study Session Minutes  
October 16, 2019

Study Session began at 6:30 P.M.

In attendance were: Commissioner's Kendra, Martini, Schocke, Turich and Zemen. Also in attendance were Ken Mika, Building Commissioner/Zoning Administrator and Plan Commission Engineer John Phipps from Nies. Commissioner's Grzyski & Vander Woude was absent.

Those in attendance discussed the Russell Group continuance. A majority of those present felt that the continuance request, even though there was a sense of frustration among everyone, that they would be in favor of the continuance. It was also asked that the Plan Commission request Russell Groups representing attorney stay for business from the floor comments. To date, staff and the Plan Commission have not received the updated information which was previously requested.

Those in attendance were advised by Mr. Mika that Jovan Lozevski of Lakeview Homes & Development had sent the Plan Commission an email (copy in file) requesting a continuance due to an issue with BP and another more recent discovery. This was for preliminary and secondary plat approval for a proposed (10) lot subdivision at 9515-9532 Hook Street.

Study Session ended at 6:57 P.M.

Ken Mika

Building Commissioner / Zoning Administrator
