

TRAFFIC SAFETY MEETING
May 2, 2023

The Traffic Safety Commission met in person at 3315 Ridge Road, Highland Police Dept. Chief Potesta called the meeting to order at 8:03 A.M.

Roll Call: Mark Knesek, Public Works Director
 John Banasiak, Commander Highland Police Dept
 Stephen Jurczak, Police Commissioner
 William Timmer, Fire Chief
Absent: Roger Sheeman, Councilman
 Robyn Pappenheim, Project Engineer

On a motion by Public Works Director Mark Knesek and seconded by Police Commissioner Steve Jurczak the Traffic Safety Commission approved the request for the portable Pedestrian Crossing Sign to be located mid-block in the 2600 block of Highway. Public Works Director stated one would be ordered and be placed there upon its arrival.

On a motion by Commander John Banasiak and seconded by Police Commissioner Steve Jurczak the Traffic Safety Commission approved the request for a "spinner" to be added to the stop signs on 81st for E/W traffic on a temporary basis.

Item from the floor:

The Grand Blvd/Bike Trail lighted sign is to be re-done by the manufacturer to be similar to the sign at Highway and the Bike Trail.

With no further business the meeting was adjourned at 8:19 am.
