| Roll Call: | Mark Knesek, Public Works Director<br>John Banasiak, Commander Highland Police Dept<br>William Timmer, Fire Chief<br>Roger Sheeman, Councilman |
| Absent     | Steve Jurczak, Police Commissioner   |

On a motion by Public Works Director Mark Knesek and seconded by Commander John Banasisk the Traffic Safety Commission approved the request for the signage to be placed at Gordon Dr & 44<sup>th</sup> Street and on Hook Street at 44<sup>th</sup> Street, stating Autistic Child at play provided the resident/requestor provides the Traffic Safety Commission with documentation stating the child's diagnosis. (Documentation was provided as requested after the meeting).

The continuation of Robyn Mathews as a technical advisor to the Traffic Safety Commission was discussed as she has taken a new position with another company and the rates have increased significantly. Public Works Director Mark Knesek will reach out to other companies known to get price schedules as this would be on an "as needed" basis for services.

With no further business the meeting was adjourned at 8:32 am.
