Roll Call: Mark Knesek, Public Works Director
 Mike Pipta, Fire Chief
 Tom Black, Councilman
 John Banasiak, Commander
 Steve Jurczak, Police Commission

Guests: Mr. William Fiegler, resident
 Mr. Rick Hoffman, SRO
 Derek Schneider, Nies Engineering

Mr. Fiegler stated more concerns regarding the increased traffic on 42nd Street, also stating the temporary one-way during the school hours has had some benefits. Derek Schneider of Nies Engineering gave a synopsis of reasons to not allow the change. With no motion being made to make 42nd Street a permanent one-way eastbound from Erie St to 5th Street, by the Traffic Safety Committee, 42nd Street will remain as is. Commander Banasiak suggested to Public Works Director Mark Knesek the possibility of additional signage to be posted stating "by Order of the Highland Police Dept." to the existing signs. Mr. Knesek will check into having the sign made.

With no further the meeting adjourned at 8:25 am.
